

WELCOME BACK !!!!!

Welcome to the 2024 Town of Verona Summer Park Program. As always, we are looking forward to welcoming back all familiar faces and hopefully some new faces, too. Our program will be held again this year at the park located on Germany Road next to the Town Hall. This location provides all the children with the opportunity to enjoy the swings, slide, sand, volleyball net, and baseball diamond. We have an outside pavilion which has had an extension put on it and a very nice indoor area if needed due to any change in weather.

Field trips are back! We will be rolling out to other locations again this year and inviting back our special visitors for demonstration and fun activities. We will be taking a bus to the Marquee Cinema and basking in the sun, not Just once but twice at Verona Beach State Park. Along with our exciting away trips, we cannot forget about our local Fire Departments that will be coming to visit and Tim Becker from Upscale Exotics is bringing some of his special friends to see us. By Popular demand, we will be having our 3rd annual foam party again this year. We will inform you of any changes of pick up or drop of times and places on field trip permission slips or will be posted on Town of Verona Website under Parks and Recreation. As usual, we will be having daily games and fun craft activities and ending our season with a big bounce house party. As always the Summer Park Program tries to plan exciting activities to do every week of the program.

The V.V.S. Summer 2024 Free Meal Feeding Program will once again be offered at the park this year. It will be serving free breakfast and lunch to all area children under the age of 18. The meal program will run from July 8th through August 9th and offer breakfast from 8:45am till 9:15am, and lunch from 12pm till 12:30pm, Monday through Friday. All meals must be consumed onsite. If you prefer to bring your own lunch, that is ok also.

We would also encourage you to visit the Town of Verona website at www.townverona.org, click on Parks and Recreation and then proceed to 2024 Town of Verona Summer Park Program. The site contains all information and materials that you will need. This will help all of us continue to provide an exciting summer program for the Town of Verona Community.

Finally, we are ALL excited about the up and coming summer. With all of our regular activities and new activities, we are planning to have a fabulous summer. Hope to see everyone there!
